Notice:

As most of you know, all tickets for today's event were sold out over a week ago . . . and without any publicity. What you see today, for only a couple of hours, you can see for 5 DAYS next month, February 23rd, 24th, 25th, 26th & 27th, when the top racquetball players (men and women) from every state in the United States plus Canada and Mexico, converge on Memphis, Tennessee (right here at Memphis State's nine racquetball courts) to compete in the 4TH INTERNATIONAL RACQUETBALL TOURNAMENT.

The point is . . . we anticipate an early sellout (1/3 of the tickets are already sold). So we respectfully urge you to place your order now. Please leave your blank at the ticket booth and we will do the rest.
